

# DB-01(IS) Detector Base

## Description

A common base for GST intrinsically safe detectors. With special material and surface treatment, the base will not cause spark discharge to the atmosphere. There isn't electrical component on the base.

The DB-01(IS) base has 4 terminals marked with 1-4. For the detail connections, please refer to the manual of installed detector.

#### **Technical Specification**

Compatible Devices:

DC-9101(IS), DC-9102(IS), DC-9103(IS)

- Material: ABS
- Dimension: 100mm(D) X 16.5mm(H)

### **Order Information**

Part No.	DB-01(IS)
Device Name	Detector Base
Product No.	30205765

# **Installation Details**

IMPORTANT: This publication is a generic version in which product information is shown for informational purposes only and does not constitute a specific commitment or guarantee. We are constantly pursuing the improvement of product technology to improve product performance, for which we reserve the right to adjust the configuration and technical information of the related products without notice. In addition, the description of system performance in this publication applies only to the usual situation. As a result, there may be a variety of unpredictable special circumstances in the real world, so the realization of the relevant product performance will depend on the professional investigation and analysis and the design plan. Please contact us and we will be happy to provide you with professional advice.
