

## Overview

ESD (Electro Static Discharge) Safety is very important factor to be considered while designing Lab Tables and Rack, using proper accessories is critical for the safety of engineers and technicians working on ESD environment.

NetRack understands the importance of accessories and offers complete range of ESD Accessories properly tested to meet industry standards.

- ESD Safe Table Top
- Anti-Static Mat
- Table Ground Kit
- Wrist Band
- Equipment Ground Kit

Equipment Ground Kit  
Part No: LTA-008

Wrist Band  
Part No: LTA-010

Table Ground Kit  
Part No: LTA-009

Continues Work Station Monitor  
Part No: LTA-011
